I agree that the Board shall be the final judge of my credentials and qualifications for admission to the examination and for certification.

I agree that the Board may disqualify me from examination, from certification, or may cancel my certification and require the return of the Diplomate Certificate in the event that the Board determines that any information furnished by me was false, that I violated the rules governing its examinations, or that I did not comply with or violated the Board’s rules and policies.

I agree that irregular or improper behavior during the examinations, such as giving or obtaining unauthorized information or aid, looking at the test materials of another candidate, removing any examination materials from the test center, failing to comply with proctors’ instructions, disregarding time limits, taking any recordings of the examination, or other disruptive behavior will be considered an attempt to subvert the certification process. These and other irregular or improper behaviors, as evidenced by observation, by subsequent statistical analysis, or by other means, may be sufficient cause for the Board to terminate my participation in the examination, to invalidate the results of my examination, to bar me from admission to future examinations or from certification, and to take appropriate actions, including informing licensing bodies, law enforcement agents, my program director(s), and/or others.

I also authorize the Board to, at its discretion, release information contained in this application, my examination results, and examination scores to researchers selected by the Board to study the testing and evaluation programs of the Board under appropriate conditions of confidentiality established by the Board. Any studies reported by the Board will contain information about candidates and diplomates only in the aggregate, and the names of individuals will not be revealed in any publications.

I hereby release and agree to hold harmless the Board and any of the Board’s employees, officers, directors, representatives, agents, and assigns from any liability arising out of the Board’s giving, disclosing and/or releasing of information about or pertaining to me. I understand that the Board makes academic and scientific judgments in its evaluation of the results of its examinations, and that situations may occur, even through no fault of mine, that will render my examination results unreliable in the judgment of the Board. I agree that if the Board determines that in its judgment the results of my examination are unreliable, the Board may require me to retake that examination at its next administration or other time designated by the Board.
