

How to Access and Save pdf files from the ABPN Web Site.

Note: To access pdf files from this web site, you must have an internet connection and Adobe Acrobat Reader. You may download for free by visiting <http://get.adobe.com/reader/>.

To Save a pdf file to your hard drive:

Step 1. To open a pdf file from the ABPN web site, just click the link.

Step 2. A separate browser window will open and you may read the document by clicking on bookmarks or scrolling through the document. You may also select "save as" from the tool bar in the new window. This allows you to save a copy of the pdf file to a location on your hard drive that you may then access without an Internet connection.

Alternate Method to Save

Step 1. Another way you may save a document to your hard drive is to RIGHT click on the hyperlink.

Step 2. Select "Save Target As..." Indicate the location on your hard drive where you wish to save the file, then click save. This allows you to save a copy of the pdf file to a location on your hard drive that you may then access without an Internet connection.
