AMERICAN BOARD OF PSYCHIATRY AND NEUROLOGY  
ISSUES BROCHURES DOCUMENTING ANNUAL CRUCIAL ISSUES FORUMS

*November 12, 2015, Buffalo Grove, Illinois* --- The [American Board of Psychiatry and Neurology, Inc.](#) (ABPN) has issued two 8-page brochures, documenting speaker perspectives and discussion summaries from the ABPN 2014 and 2015 Crucial Issue Forums. The forum topic for the 2014 event focused on trends and directions of subspecialization in psychiatry and neurology and for the 2015 event the focus was resident competency requirements in psychiatry, neurology and child neurology.

The goal of the annual forum, held each spring in the Chicago area, is for representatives of several psychiatry, neurology and child neurology organizations along with the ABPN Board of Directors and senior staff to gain insight and participate in discussions on important psychiatry and neurology topics.

PDF versions of the [2014 ABPN Crucial Issues Forum brochure](#) and the [2015 ABPN Crucial Issues Forum brochure](#) are available on the ABPN website. Printed copies are also available upon request.

The American Board of Psychiatry and Neurology, Inc. is a not-for-profit corporation dedicated to serving the public interest and the professions of psychiatry and neurology by promoting excellence in practice through certification and maintenance of certification processes.
