- For degree changes, the ABPN requires a copy of the diploma from the medical school conferring the degree. ABPN does not accept medical licenses or residency certificates as documentation.
- The name and degree in your Physician Folios account at the time of you passing an examination will be printed on your diplomate certificate. If you change your name with the Board after the examination, you may purchase a new certificate at your own expense.

- If you currently are a candidate for an examination, name changes must be submitted to the Board prior to the first day of an examination administration. You will not be admitted into the examination if your first and last names on your IDs do not match what is on file at the test center.
- Change requests may be emailed to questions@abpn.com. Please use 'Attention: Computer Exams' in the subject line. Requests may also be faxed to 847.229.6600.
- As a security measure, the email/fax must include: your date of birth and the last 4 digits of your social security number. For name changes, you must also include how your name should be entered into your Folio (first, middle, last).

Contact the Board at questions@abpn.com if you have any questions.
