American Board of Plastic Surgery
American Board of Preventive Medicine
American Board of Psychiatry and Neurology
American Board of Radiology
American Board of Surgery
American Board of Thoracic Surgery
American Board of Urology

American Board of Psychiatry and Neurology, Inc.
A Member Board of the American Board of Medical Specialties (ABMS)
• Behavioral Neurology and Neuropsychiatry
• Clinical Neuromuscular Pathology
• Headache Medicine
• Neuro-Oncology
• Neuroimaging
• Neurocritical Care
• Autonomic Disorders
• Geriatric Neurology
• Neural Repair and Rehabilitation
American Board of Medical Specialties (ABMS)

- Responsible for certification and MOC
- Oversees 24 member specialty boards (including ABPN)
- Board certification and MOC are voluntary, but may be a requirement of your local institution
- ABPN answers to the ABMS
- *AAN does not have an affiliation with the ABMS*
American Board of Psychiatry and Neurology (ABPN)

• Responsible for certification and MOC in the field of psychiatry and neurology
• Interprets the ABMS MOC requirements and sets requirements for its diplomates
• **ABPN and AAN are two separate organizations**
American Academy of Neurology

• Professional member organization for neurologists

• Vision: To be indispensable to our members

• Offers many services and resources
  ▪ Lifelong learning resources to help in every career stage
  ▪ Resources also help meet regulatory requirements (e.g., MOC, MOL, hospital reqs, etc.)
Learning resources to help members fulfill ABPN MOC requirements
AAN Learning Across Your Lifetime

Resources

• CME
• Self-assessment
• Performance in Practice
• Free Neuro Products with AAN membership
• NeuroTracker - track all of your AAN and non-AAN credits and activities
AAN CME Resources

- Conferences
  - Annual Meeting
  - Fall Conference
  - Breakthroughs in Neurology Conference
  - Sports Concussion Conference

- CME Activities (at home)
  - Neurology (Journal) CME
  - Neurology Podcasts
  - Practice/Coding Webinars
  - Continuum*
  - Continuum Audio
  - NeuroLearn
  - NeuroSAE*
  - NeuroPI**

* = also provides self-assessment
** = also provides PIP
• CME Credits: 1-2

• Uses educational theory to develop modules

• Designed by neurologists for neurologists

• Brings you up to date on the topic of your choice.
AAN Self-Assessment Resources

• Continuum

• Continuum Test Your Knowledge
  ▪ Annual Meeting
  ▪ Fall Conference

• NeuroSAE

• MOC Exam Prep Course
  ▪ Breakthroughs in Neurology Conference
• Self-assessment CME - up to 12 credits per issue
• Self-study program - peer comparison data
• Six issues per year - subscription based
  ▪ Updates on major topics every 3 years
  ▪ Additional topics as indicated
• Convenient formats:
  ▪ Print
  ▪ Web
  ▪ App
• *Continuum Audio*
• Self-assessment CME Credits: 0-8

• Convenient online format

• 100-150 questions; assess strengths and weaknesses

• Provides feedback and peer comparison

• Timed or at your own pace
• CME Credits: 20

• Tools you need to complete the Performance in Practice requirement for MOC

• Based on AMA Performance Improvement CME model
  - Assessment, Intervention, Evaluation

• Online - easy to use format
• One-stop-shop for tracking AAN and non-AAN activities
  - CME
  - Self-Assessment
  - Performance in Practice
  - Professional Activities
  - Teaching Evaluations

• Access your own NeuroTracker
