ABPN Physician Folios

The ABPN Physician Folios is a single information source for physicians in all stages of their relationship with the ABPN – from resident through seasoned diplomate engaged in CC/MOC. All ABPN Board certified physicians are required to have an ABPN Physician Folios account.

Your ABPN Physician Folios account is a customized and secure portal to:

- Manage and update personal contact information
- Keep medical licenses up to date
- Apply and pay for exams
- View and attest to your CC/MOC requirements
- Pay your annual fee
- View score results

Please visit the ABPN website at www.abpn.com, click the blue ABPN Physician Folios button and follow the instructions to activate your account.

How do I activate an account?

In order to log in to the secure portal, you must have an established relationship with the ABPN through one of the following methods:

- You are a diplomate of the ABPN.
- Your training program has entered your residency and/or your fellowship training into the ABPN preCERT® system.
- You have previously applied for an ABPN examination.

1. Go to www.abpn.com/folios. You may wish to bookmark ("ctrl D") the login page for future quick reference.
2. Click on the 'Activate Account' box.
3. A secondary authentication page will be launched asking for your current email address, first name, last name, birth date, and the last four digits of your social security number. (If the system is not able to authenticate you using this information, you can click on the Activate Account Assistance link for instructions.)
4. Upon authentication and activation, you will be emailed a link to finish resetting your password.
5. Follow your prompts to reset your password to access your account.

See our [ABPN Physician Folios How to Flyer](#) for more information.

For questions, please email questions@abpn.com.
