| Hospice and Palliative Medicine** | 2008       | 110              | 106                 | 106              | 102                 | 4                            | 4                   |
| Neurodevelopmental Disabilities*  | 2001       | 82               | 43                  | 80               | 43                  | 2                            | 0                   |
| Neuromuscular Medicine*           | 2008       | 699              | 672                 | 688              | 662                 | 11                           | 10                  |
| Pain Medicine**                   | 2000       | 332              | 205                 | 329              | 205                 | 3                            | 0                   |
| Psychosomatic Medicine            | 2005       | 1,424            | 1,141               | 1,402            | 1,123               | 22                           | 18                  |
| Sleep Medicine**                  | 2007       | 1,502            | 1,437               | 1,482            | 1,420               | 20                           | 17                  |
| Vascular Neurology                | 2005       | 1,362            | 1,201               | 1,341            | 1,187               | 21                           | 14                  |

- Notes:
1. The “All Certificates” columns reflect the total number of certificates issued, including diplomates known to be deceased and/or those whose certificates are no longer active.
  2. The “Active Certificates” columns reflect the number of *active* (not expired or not revoked) certificates held by diplomates who were certified in their primary specialty in 1981 or later (assuming a 35-year career post initial primary certification).
  3. Joint board examinations administered by the ABPN are noted with a single asterisk (\*). The numbers in this table reflect ABPN diplomates only.
  4. Joint board examinations administered by another ABMS board are noted with a double asterisk (\*\*). The numbers in this table reflect ABPN diplomates only.
