ABPN ANNOUNCES 2019-20 AWARD RECIPIENTS

March 26, 2019, Deerfield, Ill. – The American Board of Psychiatry and Neurology (ABPN) is pleased to announce the recipients of the 2019-20 ABPN Faculty Innovation in Education Award and the 2019-20 ABPN Research Award.

The ABPN Faculty Innovation in Education Award supports the development of innovative education and/or evaluation projects that promote effective residency/fellowship training or lifelong learning of practicing psychiatrists and neurologists. Each year, up to two psychiatry and two neurology fellows are selected.

The 2019-20 recipients are:

Diana Barratt, MD, MPH

Department of Neuroscience, Florida International University Herbert Wertheim College of Medicine
Project: Disclosure of Medical Errors in Stroke Patients: Development of a Simulation-Based Curriculum

Sandra DeJong, MD, MSc

Department of Psychiatry, Cambridge Health Alliance/Harvard Medical School
Project: Developing a Curriculum for GME and CME in Pediatric Tele-behavioral Health

Lauren Osborne, MD

Departments of Psychiatry and Behavioral Sciences and Gynecology and Obstetrics, The Johns Hopkins University School of Medicine
Project: The National Curriculum in Reproductive Psychiatry

Colleen Tomcik, MD

Department of Neurology, University of Rochester School of Medicine and Dentistry
Project: Making the Virtual a Reality: Creation of a Novel, Longitudinal, and Comprehensive Teleneurology Curriculum for Neurology Residents

--more--

The ABPN Research Award supports research projects related to the mission of the ABPN, which is to promote and assess the competency of psychiatry and neurology candidates for initial and continuing certification (maintenance of certification). Each year, up to two psychiatry and two neurology awards are presented.

The 2019-20 recipients are:

Katharine Nelson, MD

Department of Psychiatry and Behavioral Sciences, University of Minnesota Medical School

Project: The Development of a Self-Directed Online Learning Module as a Training Curriculum for Evaluators Conducting ABPN Clinical Skills Evaluations

John Q. Young, MD, MPP, PhD

Department of Psychiatry, Hofstra Northwell School of Medicine

Project: Competency-Based Assessment of Medication Management: Developing Further Evidence for Validity of the P-SCO

Information about the 2020-21 awards applications and accompanying materials is available on the [ABPN Awards Program](#) page on our website.

The American Board of Psychiatry and Neurology, Inc. is a not-for-profit corporation dedicated to developing and providing valid and reliable procedures for certification and continuing certification of psychiatrists and neurologists.

For more information, including lists of previous recipients, please visit the ABPN Awards Program page on our website at www.abpn.com.
