How to Use the Approved CC Activities List

The ABPN Approved CC Activities List features activities that are approved for CME, Self-Assessment (SA) CME, PIP, and/or Patient Safety credit. Diplomates may select one, multiple, or all specialties and/or subspecialties to view the activities most relevant to their practice or interest.

ABPN suggests clicking on the activity name to learn details about the activity itself or the organization that offers it. The activities can be sorted by organization, credit, or activity type by clicking on the column header.

The activity types are abbreviated as indicated below:

- CME:** Fulfills number indicated of Continuing Medical Education credits
- SA CME:** Fulfills Self-Assessment Continuing Medical Education credits indicated
- PIP C:** Fulfills Improvement in Medical Practice (PIP) Clinical Chart Module option
- PIP F:** Fulfills Improvement in Medical Practice (PIP) Feedback Module option
- PS:** Fulfills Patient Safety Activity requirement
