Examination Schedule Notes
* Combined CC/MOC exams are multi-specialty/subspecialty taken in one exam administration.
** Not available in the combined exam format.
+ Psychiatry Combined CC/MOC exams (April) consist of 2 or 3 of the following specialty/subspecialties: Psychiatry, CAP, AP, FP, GP, and CLP.
++ Neurology Combined CC/MOC exams (May) consist of 2 or 3 of the following specialties/subspecialties: Neurology, Child Neurology, CNP, EP, NDD, NMM, and VN. Any Combined CC/MOC exam that includes Neurology or one of the Neurology subspecialties listed above must be taken during the May Combination CC/MOC testing window.
+++ \$500 late fee (\$100 for CC/MOC) required after application deadline but before late deadline.
++++2023 will be the final administration of the Pain Medicine Continuing Certification examination. Beginning in 2024, diplomates in Pain Medicine will continue certification using the longitudinal assessment.
