ABPN Announces 2022-23 Award Recipients

March 22, 2022, Deerfield, Ill. – The American Board of Psychiatry and Neurology, Inc. (ABPN) is pleased to announce the recipients of the 2022-2023 ABPN Faculty Innovation in Education Award and the 2022-2023 ABPN Education Research Award.

To date, 49 projects have been funded for an allocation of more than \$5M, including support for project-related presentations, and a recent survey of recipients yielded more than 40 related publications and presentations.

The [ABPN Faculty Innovation in Education Award](#) supports the development of innovative education and/or evaluation projects that promote effective residency/fellowship training or lifelong learning of practicing psychiatrists and neurologists. Each year, up to two psychiatry and two neurology fellows are selected.

The 2022-23 recipients are:

Anthony Fine, MD

Departments of Neurology and Pediatrics
Mayo Clinic College of Medicine and Science
Development of a Simulation-Based Interactive Multimedia Case Study Curriculum as an Adjunctive Tool for Child Neurology Training

Jeffrey Rado, MD, MPH

Department of Psychiatry and Behavioral Sciences
Northwestern University Feinberg School of Medicine
Development of a Web-based Course on Primary Care Skills for Psychiatry Residents: Strategies to Manage Cardio-metabolic Side Effects of Antipsychotic Medications

Emma Samelson-Jones, MD

Department of Psychiatry and Behavioral Sciences
University of California San Francisco School of Medicine
PsychSnaps: A GME & CME Curriculum to Improve Outpatient Mental Health Care

Elina Zakin, MD

Department of Neurology
New York University Grossman School of Medicine
Facing the Challenges of Chief Year: A Standardized Experiential Simulation Curriculum

The [ABPN Education Research Award](#) supports research projects related to the mission of the ABPN, which is to promote and assess the competency of psychiatry and neurology

candidates for initial and continuing certification (maintenance of certification). Each year, up to two psychiatry and two neurology awards are presented.

The 2022-23 recipients are:

Matcheri Keshavan, MD

Department of Psychiatry

Beth Israel Deaconess Medical Center (affiliated with Harvard Medical School)

Neuropsychiatry and Clinical Neuroscience Training for Psychiatry Residents: Identifying the Gaps and Developing a Feasible Path Forward

Puja Chadha, MD

Department of Psychiatry and Behavioral Sciences

University of California Davis School of Medicine

Transformational Training for Psychiatry and Neurology Physicians on Diversity, Equity and Inclusion

About the American Board of Psychiatry and Neurology, Inc.
